

1000 HOMES

Habitat Colorado has challenged its 31 affiliates to build 1,000 homes within 3 years with low-income partner families in Colorado and around the globe. We believe there are at least 100 families living in unaffordable (more than 30% of their income) or unsafe housing in Routt County. We've set a goal of building or remodeling at least 2 homes a year over the next three years. We're a Christian ministry, so with God, all things are possible, right?! We're launching two new fee-based programs to help fund our immediate goal and to move us toward our larger mission of eliminating poverty housing in Routt County.

APPLIANCE OUTLET

Donate your newer-model working appliance to our new Habitat ReStore and you'll get a tax receipt, help the environment through recycling, and you'll further our mission. We need volunteers to make free appliance pickups, and people to work in our store. Call 871-6101 or visit our website to sign yourself up for a shift. www.routtcountyhabitat.org

COULD YOUR HOME USE A LITTLE HELP?

Our volunteer youth and adult crews help low-income homeowners with simple exterior upkeep projects such as painting, staining, fence or deck repairs, shrub trimming or weed removal. We keep it affordable with volunteer labor and donated paint, but we can often finance the work for homeowners.

GIVE US YOUR SUPPORT!

Routt County Habitat for Humanity invites people of all faiths and beliefs to help us to build or remodel at least 2 homes this year (2010-11). We serve legal residents who earn less than 60% of area median income (under \$18,000 for one, \$54,000 or less for a family of 4 with two incomes), and our partner families must contribute at least 300 volunteer hours on their home. We are a hand up, not a hand out. Join us on our mission to help eliminate poverty housing in Routt County!
